Munitions Executive Summit Cross Service Panel

BG(P) Gustave Perna
Commander, Joint Munitions Command
(309) 782-4475
Gustave.f.perna.mil@mail.mil

Why are we here?

- **We provide munitions to our Warfighter**
  - Commercial: Enduring viability
  - Government: Enduring capability

UNCLASSIFIED

Where I left you a year ago…

- **We needed a strategy for the industrial base**
  - Warm basing (logistics)
  - Capability based focus (production)
  - Modernization
  - Strategically right size
  - Reduce Cost

UNCLASSIFIED

Where we are today…

- **Continue to assess and work with industry for the POM knowing the following:**
  - 2→1 Major Regional Conflict
  - Budgets declining

- **Enterprise – Integrated Logistics Strategy:**

  will have tough decisions

- **Using input to make informed decisions**

UNCLASSIFIED

Budget Trend

UNCLASSIFIED

What do we need to do?

- **Focus resources to key capabilities**
  - Modernize where needed
  - Divest where no longer needed
  - Sustain while buying strategically

- **Energy reduction**
  - ISO 50001 certification

UNCLASSIFIED

What do we need you to do?

- **Identify core competencies**
- **Identify efficiencies**
- **Consider availability of Government installations**

UNCLASSIFIED

Conclusion

- We have a common “Why”
- Know your core capabilities
- Only the most efficient will survive
- We are providing Senior Army leadership input for informed industrial base decision making
- Identify and execute bold ideas and changes
